WeCareDMV Day Services, Inc.

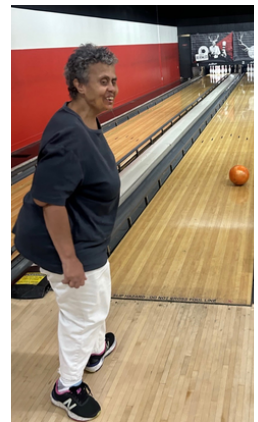

Why Chose WCDMV?

At WeCareDMV, we offer a vibrant range of day supports and services designed to unlock potential, foster independence, and promote self-determination. Our person-centered programs, both facility-based and community-based, are built around each individual's unique interests and abilities, creating pathways to meaningful activities, valued social roles, and true community integration.

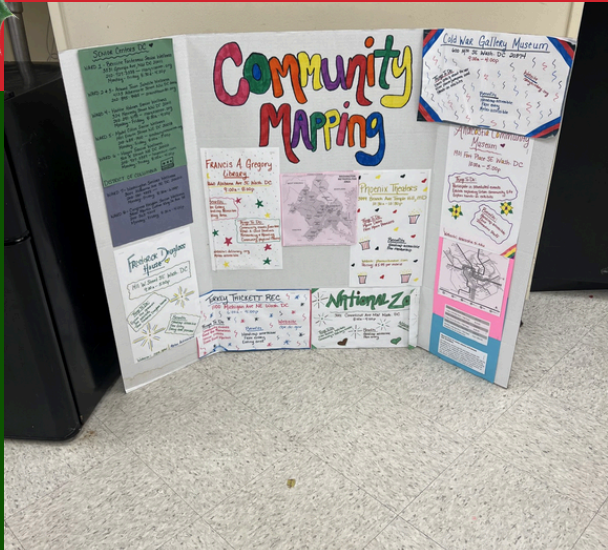

ABOUT US

Get ready to experience the heart of empowerment with WeCareDMV Day Services, Inc! Formerly known as United Cerebral Palsy of Washington DC & Northern VA, we are a dynamic 501(c)(3) non-profit organization, proudly serving individuals with intellectual and physical disabilities, as well as those with complex medical needs throughout the Washington, DC metro area.

Together, we Care, Assist, Respect, and Empower – every step of the way!!

STAFF SPOTLIGHT

Meet WCDMV's new Executive Director- Trevor Depass

Trevor DePass is an experienced Program Director, Educator, Counselor, and Consultant with over twenty (20) years in disability services and community support; particularly in Medicaid Waiver Home and Community-Based Services and Employment Services. He is skilled in project management, quality assurance, team leadership, and person-centered service delivery, with a proven ability to develop and implement policies that improve outcomes for individuals with disabilities.
